

# ❖ THE ONLY HANDMADE LUCKY CHARM IN THE WORLD ❖

in TAROBOGU

Lucky charm is produced by people 1000 years ago.

Follow steps 1~7

Please feel free to contact us if you have any questions♪

## 1. Chose a charm bag and a string♪

The pattern of the charm bag is different!

The string is handmade, so different colors and sizes.

Please pick up a variety of items and choose from 200 types.

• • • ☆ • • • POINT • • • ☆ • • •

• Front of the charm bag

→「太郎坊宮」

• Front of the string

→Bulging knot

## 2. Put the string through the holes in the charm bag♪

Put the string through two holes in the charm bag.

The right string goes to the right hole.

The left string goes to the left hole.

Put the string through the holes from the front cloth to the back cloth.

• • • ☆ • • • POINT • • • ☆ • • •

When you through string, pinch the edge of the string with tweezers and through. Let's do the same the back cloth!

## 3. Write your wish on the paper♪

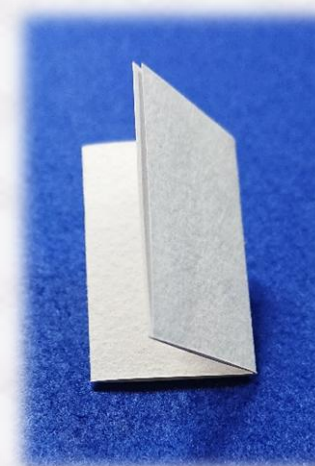

There are no rules how to write.

Please write carefully.

• • • ☆ • • • POINT • • • ☆ • • •

After you finish writing, please fold into four.

①Fold the paper inward once.

②Fold the paper inward once again♪

⇒Continued on the back

#### 4. Put the God's spirit and the paper in the charm bag♪

I'll give you the god's spirit.

This is very important work, so I'll explain directly!

※Please call the staff.

• • • ☆ • • • **POINT** • • • ☆ • • •

The Charm bag contains cardboard.  
When you put God's spirit and the paper  
in the charm bag, sandwiched between  
cardboard.

Easy to insert if you avoid the  
string like the photograph.

#### 5. Tie the string and close the charm bag♪

Tie the string tightly with a wish at the back.

• • • ☆ • • • **POINT** • • • ☆ • • •

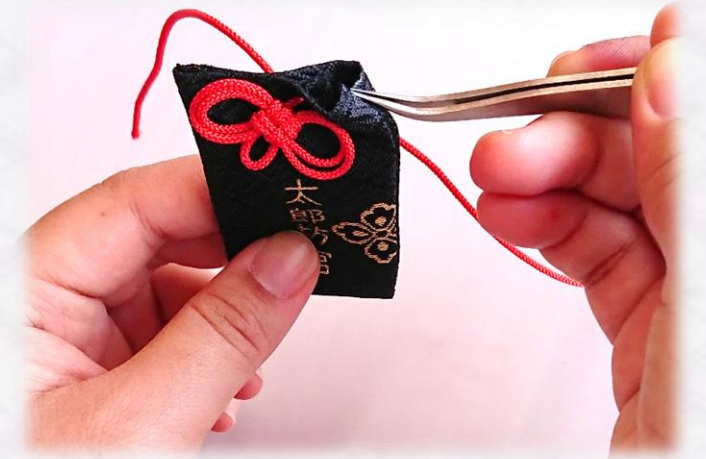

Once closed, never open it!  
Because it's disrespectful  
to God and your wish won't  
come true.

#### 6. Fold in the corner of the charm bag♪

#### Adjust the shape of the charm bag♪

Please adjust the right and  
left balance equally.

• • • ☆ • • • **POINT** • • • ☆ • • •

Using tweezers, work will be easy.

If you push the corner deep, the shape is good!

#### 7. Tidy up the string♪

Please tie two strings together,  
like the photograph.

Finally, cut the edge of strings.  
Please put it in a paper bag and  
take it home.

❖Thank you for today!

We are looking forward to see  
you again♪ God bless you!
